## THE MACE

---

The “mace” and bearer represent a custom which dates back to the Middle Ages. The mace was a club-like staff carried by a bearer who was responsible for protecting a dignitary taking office or opening court. From the 16th century in England and since colonial days in America, it has become a symbol of office used in ceremonies and carried by the procession leader or macebearer.

Salve Regina’s mace is silver, twenty-two inches long and is engraved with the words Salve Regina and Maria Spes Nostra (Mary Our Hope). Imprinted on the mace is the official corporation seal of the College.

The College mace is carried by the Chief Marshal who leads the procession to and from Commencement exercises. He is followed by students, faculty, distinguished guests and College officials.

## PRESIDENT’S MEDALLION

---

The pewter medallion worn by the College President symbolizes the leadership and authority of the institution’s highest office.

Inscribed on the medallion are names of the five Sisters of Mercy who have served in the presidency at Salve Regina College. Each woman has made a distinctive contribution to the integrity, growth and life of the College.

The medallion’s design is based on the College shield which symbolizes the commitment of the Sisters of Mercy to Salve Regina College, the dedication to learning by all members of the Salve community, and the unending search for wisdom which flows from the knowledge of the liberal scholar.

The medallion is worn by the President at all formal academic occasions as public testimony of the ideals of Salve Regina College.

## ACADEMIC REGALIA

---

When universities were taking form in the 12th and 13th centuries, they were under the jurisdiction of the Church. Most of those studying were clerks in Holy Orders, monks or priests. They wore a habit or cloak to which was attached a cowl or hood. This could be pulled up over the head or thrown back, according to weather. Gowns were necessary for warmth in the unheated buildings and hoods served to cover the tonsured head before the use of the skull cap.

Today, the academic costume of cap, gown and hood has taken on a symbolic meaning. Colors and shapes conform to a generally accepted code and indicate the faculty conferring the degree and the kind of degree conferred.

Gowns for the bachelor's degree are worn closed and are distinguished by their long, pointed sleeves. Master's degree gowns are designed to be worn open. They have very long sleeves, oblong in shape. Gowns for the doctoral degree, usually black, are also designed to be worn open and have velvet panels. Three velvet bars are stitched to the upper part of the full, bell-shaped sleeves. College President Sister Lucille McKillop wears a blue doctoral gown, signifying the primary institutional color for Salve Regina.

Hoods are trimmed with a slim strip of velvet to indicate the specific faculty awarding the degree. The colored lining is the official color of the institution conferring the degree. Hoods may be trimmed to represent the following academic areas:

# SALVE REGINA

## *Hail, O Holy Queen*

---

Salve Regina Mater misericordiae:  
Vita, dulcedo, et spes nostra, salve.

Ad te clamamus, exsules, filii Hevae.  
Ad te suspiramus, gementes et flentes  
in hac lacrimarum valle.

Eia ergo, Advocata nostra, illos tuos  
misericordes oculos ad nos converte.

Et Jesum, benedictum fructum ventris  
tui, nobis post hoc exsillium ostende.

O clemens: O pia: O dulcis Virgo Maria.
